PROGRAM

Program-invitation on

SIXTH BRITISH-UKRAINIAN SYMPOSIUM

**«LATEST TRENDS IN ANAESTHESIOLOGY, PAIN MEDICINE AND INTENSIVE
CARE- FOCUSING ON MONITORING AND PATIENT SAFETY»**

Dear _____

We are pleased to invite you to take part in the Sixth British-Ukrainian Symposium
«LATEST TRENDS IN ANAESTHESIOLOGY, PAIN MEDICINE AND INTENSIVE CARE - FOCUSING
ON PATIENT SAFETY AND MONITORING»

Conference will be held on April 24-25, 2014 at the address: Kyiv, academic Zabolotnyy Str. at
Clinical Hospital "Feofania".

The Conference will bring together leading experts from the UK, Ukraine and other countries.

The way to Clinical Hospital "Feofania": from metro station «Demiyivska» by bus № 156.

TIMELIMIT

Registration of delegates and guests begins on March 15, 2014 at the Department of
Anaesthesiology and on April 24, at 8.30 AM at the lobby of the Clinical Hospital "Feofania".

Registration fee is 350 UAH and paid at registration desk

Opening ceremony: April 24, 2013 at 9:30

Closing remarks: April 25, 2013 at 17:30

All participants will receive certificate of participation at the end of the Conference.

The exhibition will be organized at the lobby in front of the assembly hall.

Languages: Ukrainian, English, Russian.

Presentation - by the multimedia.

We ask you to buy return tickets in advance.

The conference is listed in the Registry of congresses and scientific conferences to be held in
2014.

ORGANIZING COMMITTEE OF SYMPOSIUM

Chairmen:

Oleh Musiy – Minister of Health of Ukraine

Andriy M. Serdyuk – President of National Academy of Medical Sciences

Yuriy Voronenko – rector of Shupyk National Medical Academy of Postgraduate Education, corresponding member of the National Academy of Medical Sciences

Oleksandr V. Ratushnyak – Vice-head of of State Management Committee

Co-chairmen of organizing committee:

Ihor Shlapak – Professor, chairman of Anæsthesia and Intensive Care Department of the Shupyk National Medical Academy of Postgraduate Education, Vice-president of Ukrainian Anaesthesiology Society

Ihor Semeniv – Head of the Clinical Hospital “Feofania”

Project initiator and main coordinator – Roman Gregg (UK)

ORGANIZING COMMITTEE MEMBERS:

Babanin A.A., Simfiropol

Biliaev A.V. Kyiv

Bondar M.V., Kyiv

Vdovychenko Yu.P., Kyiv

Volosovets O.P., Kyiv

Georgiyants M.A., Kharkiv

Glumcher F.S., Kyiv

Cregg R., UK

Grytsenko S.M., Zaporiggya

Zozulya I.S., Kyiv

Zubkov V.I., Kyiv

Lisetsky V.A., Kyiv

Lysenko V.J., Kharkiv

Kligunenko O.M., Dnipropetrovsk

Kobelyatskiy Yu.Yu., Dnipropetrovsk

Konovchuk V.M., Chernivtsi

Mazur A.P., Kyiv

Malysh I.R., Kyiv

Nalapko Yu.I., Lugansk

Pavlov O.O., Kharkiv

Pidgirnyy Ya.M., Lviv

Pylypenko M.M., Kyiv

Strokany A.M., Kyiv

Suslov V.V., Kyiv

Tarabrin O.O., Odessa

Tkachenko R.O. Kyiv

Titov I.I., Iv.-Frankivsk

Usenko L.V., Dnipropetrovsk

Fedosyk R.M., Kyiv

Fesenko V.S., Kharkiv

Fesenko U.A., Kharkiv

Kharchenko L.A., Kyiv

Chepkiiy L.P. Kyiv

Cherniy V.I., Donetsk

PROGRAM

COMMITTEES:

Coordination and communication with British organizing committee:

Pylypenko M.M. (phone +38 050 913 33 97, maxpyl@yahoo.com)

Accommodation:

Vasylyev G.O., Domoratsky O.E. (067 944 91 52), Orel V.M. (vova_orel@list.ru, 050 334 52 33)

Support of internet site:

Kyselova I.V. (iv30@inbox.ru), Zhezher A.O.

Registration of participants:

Zhezher A.O. (phone +380 50 380 31 79), Baz T.M. (phone +380 44 518 41 57), Gordeeva M.A., Kalmet'eva I.A., Nosyr N.O., Mamysashvyly M.T., Butko I.S., Tsvyk I.M., Fesyuk N.V., Zhezher N.P., Yakovenko M.C., Kuchma A.B.

E-mail: bus-conference@ukr.net

Meeting and transportation:

Byshovets S.M. (phone +380 50 468 82 42), Dzyuba D.O. (+380 50 565 03 44), clinical residents

Organization of meals and gala dinner:

Vaschuk F.S., Zgrgeblovska L.V. (+380 50 923 57 04), Dolynska O.O., Davydova A.L., Kramareva O.G., Pantas A.V.

Preparation of programme and participant packet

Bondar M.V., Pylypenko M.M.

Support of conference meetings:

Strokan A.M., Nedashkivsky S.M., Galushko O.A., Markov Yu.I. Macko E.I., Petrychenko V.V.

Coordination of exhibition:

Domoratsky O.E. (+380 67 944 91 52), Orel V.M.

Workshop coordination:

Kuchynska I.A., Strokan A.M.

Organisation of seminars on regional anaesthesia and round table discussion:

Strokan A.M.. (050 523 39 88, strokandr@mail.ru), Mukhomor O.I., Bubnov R.B.

Translation:

Pylypenko M.M., Zgrgeblovska L.V., Kuchynska I.A., Pantas A.V., Stoyan G.S.

Social program:

Lisyansky M.S.

British-Ukrainian cooperation:

Roman Cregg (+38 050 779 54 07, roman290575@hotmail.com)

Schedule of plenary, section sessions, workshops and training sessions during the Conference.

Wednesday, 23th April
 14:00 -17.00
 Kyiv Clinical Emergency Municipal Hospital
 Auditorium of the Department of Anaesthesiology
 Refresher course

Date	Hours	Hall A (the main, 2 ^d floor, conference-centre)	Hall B (2 ^d floor, conference-centre)
Thursday, 24th April	8:30 -9:15	Refresher course	
	9:30-10:00	Opening ceremony	
	10:00 -13:00	Key points of safety in anesthesia. Legal issues	Current issues of safety in Anaesthesiology and Intensive Care
	14:00 -16:00	Current issues of intensive care	Legal issues of doctor's practice Approaches to the organization of infection control in the ICU
	16:15 -18:15	Current problems of neurointensive care and respiratory support	Organizational and methodological issues related with improving patient safety.
Friday, 25th April	9:00 -11:15	Actual issues of antimicrobial therapy and treatment of severe infections. Nutritive support	Intensive care in heart failure. Respiratory support
	11:30 -13:00	Important questions of anaesthesia and intensive care.	Delirium in the Intensive Care Unit. Organizational issues in intensive care.
	13:50 -14:00	Demonstration of poster presentations on plasma screens in the lobby and in the canteen	
	14:00 -15:50	Current issues of intensive care	Important questions of anaesthesia and intensive care. Poster Session Urgent issues of antibiotic therapy
	16:00 -17.45	Pain management, regional anesthesia..	Allergic and anaphylactic reactions in anesthesiologic practice: analysis of clinical cases.
17:45 -18:00	Discussion, Summary and Closing Remarks		

PROGRAM

Hall C
(training class, conference-
centre)

Hall D
(4^d floor, Administrative
building)

Hall E
(2st floor, Radiological
building)

Hall F, (pathology
building)

Regional Anaesthesia, Pain
Management.

Fluid therapy and
nutritional support

Novel aspects of
cardiopulmonary resuscitation.
The difficult airway. ATLS - an
international standard to assist in
severe multiple trauma.

Actual issues on pediatric
anesthesia and intensive care.

CADAVER workshop
exploring techniques
of regional anesthesia
on the body) (Autopsy
office). Four groups of 10
people. Pre-registration

PROGRAM

Wednesday, 23th April

Refresher course

Kyiv Clinical Emergency Municipal Hospital
Auditorium of the Department of Anaesthesiology

14:00 -15:00	Methodological aspects of anesthesia in patients with concomitant arterial hypertension.	O.A. Loskutov
15:00 -16:00	Control of nosocomial infections in the ICU.	L.V. Zgrzheblovska
16:00 -17:00	Safety problems of fluid therapy and electrolyte disturbances correction in ICU patients.	O.A. Galushko

Thursday, 24th April

Clinical Hospital “Feofania” (Hall B), Refresher course

8:30 -9:15	Bridging therapy during anticoagulation.	M.V. Bondar
------------	--	-------------

**Registration
8:30-9:30**

9:30-10:00	Opening ceremony (Hall A) Minister of Health of Ukraine Oleh Musiy Rector of the NMAPE named by P. Shupyk, academician Yu. Voronenko Head of the Clinical Hospital “Feofania” Ihor Semeniv Prof. Ihor Shlapak Dr. Roman Cregg Dr. Nazar Kalivoshko
-------------------	---

Session (Hall A)

Key points of safety in anesthesia. Legal issues.

Moderators: I.P.Shlapak, R.M.Fedosyuk, V.G.Serduk

10:00 -10:30	50 years since the Founding conference of Ukrainian Anesthesiologists	I.P. Shlapak
10:30 -11:00	American approach in anesthesia and perioperative services safety. Critical situations and complications management.	Nazar Kalivoshko (USA)
11:00 -11:15	Safe anesthesia – ways to realization of the concept in Ukraine	S.I. Vorotyntsev
11:15 -11:30	National Patient Safety Action Plan: combined project of the Council of Europe and Ukraine.	V.G. Serduk
11:30 -11:45	Legal and ethical aspects of patient safety.	O.O. Skoryna
11:45 -12:00	Complications of anesthesia: punishment without crime.	Yu.I.Nalapko
12:00 -12:15	Proposals for National Patient Safety Action Plan.	R.M. Fedosyuk
12:15 -12:30	Perioperative hypertension	O.M. Parhomenko
12:30 -12:45	Effectiveness of regulation of systemic circulation: a tool to safety of anaesthesia in hypertensive patients	O.A. Loskutov.

PROGRAM

12:45 -13:00 Experience of insurance medicine implementation in the department of anesthesiology and intensive care. A.M. Kolesnikov

Session (Hall B). Current issues of safety in Anaesthesiology and Intensive Care

Moderators: L.M.Smirnova, O.Yu. Sorokina, M.L.Gomon, O.O.Pavlov

10:15 -10:30 Hemodynamic safety of anesthesia using peridural analgesia in abdominal surgery. M.L.Gomon

10:30 -10:45 Ergobiomonitring – guarantee of safe anesthesia. L.M.Smirnova

10:45 -11:00 Experience of use BIPAP ventilation in patients with ARDS. V.P. Fronchko

11:00 -11:15 Place of low molecular weight heparin in the prevention of thrombosis. M.V. Bondar

11:15 -11:30 Effectiveness and safety of different strategies in fluid management in pregnant women with severe acute respiratory viral infection and influenza. O.Yu. Khomenko

11:30 -11:45 Influence of different methods of anesthesia on respiratory function in patients after thoracotomy. M.M. Sinitsyn

11:45 -12:00 The use of caudal anesthesia for uterine artery embolization. D.O. Dzyuba

12:00 -12:15 HELLP-syndrome: case report. Kantanka Khwaja (Ghana)

12:15 -12:30 Safe transferring of the patient from operating theatre to the ward: role of capnometry in preventing ventilation disturbances. S.I. Vorotyntsev

12:30 -12:45 Is there any place for colloid hypertonic solutions in intensive care? O.A. Galushko

12:45 -13:00 Some aspects of intensive care in patients with acute coronary syndrome after emergency coronary artery bypass grafting. M. V.Marchenko

**Workshop, Question and answer session (Hall E, Radiological building).
Regional Anaesthesia, Pain Management.**

Moderators: V.I. Kolomachenko, Nazar Kalivoshko

10:30 -11:15 Basics of neurostimulation for the anesthesiologist. O.I. Tereshchenko

11:15 -12:00 Examples of neurostimulation on volunteers. V.I. Kolomachenko
Continuation of session is possible on the BBraun stand on Friday.

12:00 -13:00 Workshop of ultrasound-guided regional anesthesia Nazar Kalivoshko (USA)

13.05 Meeting for common photo in front of the main entrance to the conference building.

13.00-14.00 Lunch

Session (Hall B). Current issues of intensive care

Moderators: R.Cregg, A.Lisetskiy, Yu.Yu Kobelyatskiy, U.A. Fesenko

14:00 -14:15 Anesthesia and Intraoperative intensive therapy of massive blood loss. S.M. Gritsenko.

14:15 -14:30	Common sense guidelines. (Review of British fluid therapy guidelines)	U.A. Fesenko
14:30 -15:00	ICU Management of Acute Stroke.	Sandra Fairley
15:00 -15:15	Use of the methods of extracorporeal detoxication in complex management of patients with liver cirrhosis.	V.V. Avdeev
15:15 -15:45	Morbidity and mortality associated with thoracic and cervical epidurals.	Roman Cregg
15:45 -16:00	The use of extracorporeal membrane oxygenation (ECMO) in the intensive care of severe respiratory failure.	O.M. Druzhina

Workshop, Question and answer session (Hall B). Legal issues of doctor's practice

Moderators: V.G. Serduk, O.O. Skoryna, Yu.I.Nalapko

14:00 -15:00	Legal safety of doctor .Who and what guarantees the security of the doctor in the absence of the required equipment? What should one know about complaints, claims and malpractice suits? How to defend?
--------------	---

Workshop, Question and answer session (Hall B). Approaches to the organization of infection control in the ICU on example of neonatal service Ukraine.

Moderators: E.E. Shunko, O.M. Kovaleva, Y.O.Goncharova

15:00 -16:00	Development and implementation of local protocols. Possibilities of computer program «WHONET» to carry out a monitoring of infection. On-line demonstration of electronic medical history.
--------------	--

Satellite seminar (Hall E, Radiological building). Fluid therapy and nutritional support

Moderators: A.P. Mazur, R.O. Tkachenko, A.M. Strokany

14:00 -14:25	The role of parenteral nutrition in the complex treatment of abdominal sepsis.	A.P. Mazur
14:25 -14:50	Do you need fat emulsion during parenteral nutrition?	O.Yu. Sorokyna
14:50 -15:15	Contemporary approach to fluid therapy in critical state.	R.O. Tkachenko
15:15 -15:40	Difference of approaches to infusion in surgery and obstetrics.	A.O. Zhezher
15:40 -16:00	Discussion	

Workshop heads of departments and regional experts (Hall B). Organizational and methodological issues related with improving patient safety.

Moderators: I.P. Shlapak, F.S. Glumcher, R.M.Fedosiuk, Roman Cregg

16:15 -17:15	starting patients' safety package for anaesthesia services in Ukraine (project and discussion)	R.M. Fedosiuk
17:15 -18:15	Approaches to improve patient safety in the UK and USA	Roman Cregg Nazar Kalivoshko

16.00-16:15 Coffee break

PROGRAM

Session (Hall A). Current problems of neurointensive care and respiratory support

Moderators: D.M.Surkov, M.M.Pylypenko

16:15 -16:45	ICU Management of Subarachnoid Haemorrhage	Sandra Fairley
16:45 -17:00	An overview of modern assisted ventilation modes	D.M. Surkov
17:00 -17:15	Noninvasive ventilation: a practicing physician's view	V. Yu. Artemenko
17:15 -17:45	Enteral feeding in the critically ill patients.	Mirosław Czuczwar (Poland)
17:45 -18:00	Key parameters of patient safety during mechanical ventilation.	M.M. Pylypenko
18:00 -18.15	Discussion	

Friday, 25th April

CADAVER workshop will be held for the first time (exploring techniques of regional anesthesia on the body) (Autopsy office). Four groups of 10 people. Pre-registration and payment for participation: Hall F, department of pathology building.

Program: Anatomical topographic relations of nervous plexuses which are blocked in anesthesia of the upper and lower limbs, lumbar plexus. Ultrasound imaging. Mastering the blockade technique.

Moderators: V.S. Fesenko, U.A. Fesenko, A.M. Strokan, V.I. Kolomachenko, B.V. Mykhailov, Nazar Kalivishko

9:00 -10:15	Group 1
10:20 -11:35	Group 2
11:40 -12:55	Group 3
14:00 -15:15	Group 4

Session (Hall A). Actual issues of antimicrobial therapy and treatment of severe infections.

Nutritive support

Moderators: Ya. M. Pidgirny, S.O. Dubrov, L.A. Kharchenko, M.V. Bondar

9:00 -9:15	Antimicrobial Stewardship: experience in Ukraine, the first results of the project Clinical Hospital "Feofania".	L.V. Shevchenko
9:15 -9:30	Peculiarities of diagnostics and intensive care of sepsis in obstetrics.	Ya.M. Pidgirny
9:30 -9:45	Original and generic drugs: issues of interchangeability.	N.V. Bezdetko
9:45 -10:00	Generics among generics.	L.A. Kharchenko
10:00 -10:15	ESKAPE infection. Mission impossible?	Yu. I. Nalapko
10:15 -10:30	Fever of unknown origin.	M.V. Bondar
10:30 -10:45	Nutritional support in the ICU.	S.O. Dubrov
10:45 -11:00	How to optimize the energy supply in patients with critical conditions.	O.Iu. Sorokina
11:00 -11:15	Discussion.	

Session (Hall B). Intensive care in heart failure.

Moderators: O.A. Loskutov, O.A. Berehovi

9:00 -9:15	Anaesthesia in patients with low cardiac output syndrome.	O.A. Loskutov
------------	---	---------------

9:15 -9:30	Management of low cardiac output syndrome in patients with terminal heart failure after cardiac surgery.	I.M. Kuzmich
9:30 -9:45	Extracorporeal methods of haemodynamic correction in patients with cardiogenic shock.	O.M. Druzhyina

Specialist seminar (workshop), questions and answers session (Hall B). Respiratory support

Moderators: D.M. Surkov, M.M. Pylypenko

9:45 -10:15	Choice of ventilation parameters in severe alterations of pulmonary mechanics and of pulmonary drive in infants and children.	D.M. Surkov
10:15 -10:30	Choice of ventilation parameters in severe alterations of pulmonary mechanics and of pulmonary drive in adults.	M.M. Pylypenko
10:30 -11:00	Intellectual regimens of ventilation.	M.M. Pylypenko
11:00 -11:15	Questions and answers, discussion.	

Session (Hall D, Administrative building) Actual issues on pediatric anesthesia and intensive care.

Moderators: A.V. Biliaev, I.V. Kyselova

9:00 -9:15	Scoliosis, neuromonitoring and surgeons: What can help the anesthesiologist?	A.O. Khmysov
9:15 -9:30	Unresolved issues of therapy of neonatal sepsis.	D.M. Surkov
9:30 -9:45	Personalisation of PEEP selection in neonatal ventilation	L.D. Tanciura
9:45 -10:00	Effect of intra-abdominal pressure on the gas exchange function in children under laparoscopic surgery.	V.R. Mishchuk
10:00 -10:15	The choice of method of anesthesia in laparoscopic surgery in children.	N.Yu. Melnyk
10:15 -10:30	Use of a nutritional carbohydrate beverage in children before surgery	I.V. Kyselova
10:30 -10:45	Electronic monitoring of indicators of patient safety in neonatal intensive care units.	R.V. Kuzenkov
10:45 -11:00	Discussion	

Specialist seminar (workshop), questions and answers session (Hall C, training class, conference-centre, entrance from the street). Novel aspects of cardiopulmonary resuscitation. The difficult airway. ATLS - an international standard to assist in severe multiple trauma.

Moderators: V.O. Kryliuk, O.O. Budniuk, O.E. Domoracky, I.A. Kuchynska

9:30 -10:30	Input training. Representing the modern concept of developing skills of cardiopulmonary resuscitation and severe airway on a mannequin SIMMAN 2.	V.O. Kryliuk I.V. Kuzminskiy
9:30 -10:30	Input training. Testing of skills of ATLS in severe multiple trauma on a mannequin SIMMAN 2.	V.O. Kryliuk I.V. Kuzminskiy
10:30 -11:00	The difficult airway	O.O. Budniuk O.E. Domoracky
11:00 -11:30	Novel aspects of cardiopulmonary resuscitation ALS.	O.A. Galushko I.A. Kuchynska

PROGRAM

11:00 -11.30 Practicing skills on mannequins.

11:15-11:30 Coffee break

Session (Hall A). Important questions of anaesthesia and intensive care.

Moderators: V.A. Lisetsky, Y.Y. Kobelyatsky, S.I. Vorotintsev

- | | | |
|--------------|---|--------------------|
| 11:30 -11:45 | Improving the effectiveness of traditional techniques of postoperative pain management. | Yu. Yu. Kobelackyy |
| 11:45 -12:00 | Spinal anaesthesia and perioperative multimodality anaesthesia in laparoscopy: is the patient's safety guaranteed without mechanical ventilation? | S.M. Byshovets |
| 12:00 -12:15 | Comfortable anaesthesia for mastectomy for breast cancer. | V.A. Lisetsky |
| 12:15 -12:30 | Correction of systemic haemodynamics and of haemostasis in patients with intracranial hypertension syndrome. | A.M. Kolesnikov |
| 12:45 -13:00 | Intraoperative on-line monitoring of central haemodynamics in patients with obesity. | S.I. Vorotyntsev |

Specialist seminar (workshop) for chiefs of departments, questions and answers session (Hall B).

Delirium in the Intensive Care Unit. Organizational issues in intensive care.

Moderators: A.M. Kolesnikov, M.V. Bondar

- | | | |
|--------------|---|-------------------------------|
| 11:30 -12:15 | Post ITU psychosis - way of management. British and Ukrainian approach to the treatment of psychosis and delirium in the ICU. | Sandra Fairley
M.V. Bondar |
| 12:15 -12:45 | Implementation of elements of insurance medicine in the ICU - a way to efficient drug and medical supplies management | A.M. Kolesnikov |
| 12:45 -13:00 | Discussion | |

Lunch 13:00-14:00

13:50 -14:00 Demonstration of poster presentations on plasma screens in the lobby and in the canteen

Session (Hall A). Current issues of intensive care

Moderators: I.R. Malysh, A.A. Budniuk, Roman Cregg

- | | | |
|--------------|---|--------------------|
| 14:00 -14:30 | Sonographic monitoring in patients with severe polytrauma. | I.R.Malysh |
| 14:30 -14:45 | Thrombocytopenia in combination with hypertension in patients with obstetric and non-obstetric Profile: complications and intensive care peculiarities. | A.A. Budniuk |
| 14:45 -15:00 | Monitoring features in the posttraumatic period. | L.V. Zgrgeblovskya |
| 15:00 -15:15 | Modern view on sedation in the ICU: is it secure? | O.E. Domoratsky |
| 15:15 -15:45 | Holistic management of VIP patients - risks and challenges. | Roman Cregg (UK) |

Session (Hall A). Important questions of anaesthesia and intensive care.

Moderators: O.A. Halushko, D.O. Dzyuba, Iryna Rybinkina

- | | | |
|--------------|--|----------------|
| 14:00 -14:10 | Improved method of monitoring of perioperative safety. | A.I. Denysenko |
| 14:10 -14:20 | Sympathetic blocks in anaesthesiologist's practice: dangers and complications. | V.M. Panov |

14:20 -14:30	Postpuncture headache	K.Yu. Sharlay
14:30 -14:40	Prevention of stress gastrointestinal ulcers in comatose patients.	K.M. Loboyko
14:40 -14:50	Analgesia Nociception Index - a novel method of anaesthesia quality assessment.	O.O. Shayda
14:50 -15:00	Serial changes of immunological and virological indices in HIV and HCV-infected patients undergoing surgery under general controlled hyperthermic perfusion.	A.B. Koltunova

Session (Hall B). Poster Session, Timelimit 3-4 minutes.

Moderators: Galushko O.A., Dziuba D.O.

	Local anesthetics and the degree of depression of sympathetic activity.	Yu. O. Svitlyk
15:00 -15:10	Random intraoperative hypothermia: adverse effects and actuality of the problem.	V.R. Horoshko
	Propofol infusion syndrome - etiology, clinical picture and prevention	V. H. Kolesnykov

Specialist seminar (workshop), questions and answers session (Hall B). Urgent issues of antibiotic therapy

Moderators: L.A. Kharchenko; Yu.I. Nalapko

15:10 -15:50	Acute problems of antibiotic therapy. Can a patient in the ICU not receive an antibiotic therapy? Duration of antibiotic therapy: standard regimens or clinical indices?	L.A. Kharchenko; Yu.I. Nalapko
--------------	--	-----------------------------------

15:50 -16:00 Break

Specialist seminar (workshop), questions and answers session (Hall B). Allergic and anaphylactic reactions in anesthesiological practice: analysis of clinical cases.

Moderators: A.V. Biliaev, M.V. Bondar

16:00 -17:00	Presentation and discussion of clinical cases.	I.V. Kyselova
--------------	--	---------------

Session (Hall A). Pain management, regional anesthesia.

Moderators: V.S. Fesenko, A.M. Strokan, Nazar Kalivosko

16:00 -16:30	How do you make regional anesthesia safe and efficient in a busy practice setting?	Nazar Kalivosko (USA)
16:15 -16:30	Complications of spinal anesthesia.	V.S. Fesenko
16:30 -16:45	Toxicity of local anesthetics	A.M. Strokan
16:30 -16:45	Central and peripheral blockade: evaluation of efficacy and safety.	A.M. Oviechkin (Russia)
17:00 -17:15	Safety aspects of regional anaesthesia in obstetrics	
17:15 -17:30	Anatomical study of blockades at the lumbar level.	V.I. Kolomachenko
17:30 -17:45	Discussion	Iryna Rybinkina (UK)

17:45 -18:00 Discussion, Summary and Closing Remarks

In Hall D on April 24-25th will be held a few live TV broadcasts and video lectures by leading experts from the UK, U.S. and Germany.

On the schedule of lectures and topics will be announced.
